Edgar Cayce on how to tell a False Prophet

Is the media a false prophet? Is the Pope a false prophet? Have the last four popes *all* been false prophets?!

Edgar Cayce said that in the End Times, you will know False Prophets by their denial that Jesus Christ was the Son of God; they will deny the Divinity of Christ.

From Edgar Cayce READING #262-30:

"Let's remember the way to determine as to whether a prophet is of the Spirit of God or not:

They that deny the call of the prophets of old, or the Son, or His death, or His resurrection, are not of the spirit."

Ironically, fake Cayce documents claiming that, he said this, or he said that, often claim that Cayce denied that Jesus was the son of God; this is entirely false!

All throughout the readings, Edgar Cayce continually affirms what the Bible said:

"One cannot reach the Father by ANY OTHER path but the Son (Jesus); but if we approach through the Son we have the Father also." and "He who attempts to reach God any other way is a thief and a robber!"

Subverters also consistently omit citations regarding which Cayce Reading they got their information from, which effectively allows them to claim anything they like about Edgar Cayce! Be sure to CHECK FOR CITATIONS before believing what someone tells you about Edgar Cayce! My book *The Mystery of God*: *The Edgar Cayce Interpretation of the Revelation* is filled with direct citations about which Readings the information came from. If you are reading a book about what Cayce supposedly

said and there are no citations, you are assuredly being lied to.

The Edgar Cayce Readings, if you study them with dedication, will provide you with nothing less than PROOF OF GOD and JESUS and that is why the subverters want to corrupt your understanding on the subject of Edgar Cayce and will say anything to trick you out of your inclination to study the Readings for yourself.

They also don't want you to find out THIS:

READING 281-34 strongly implies that Freemasonry is what is meant by "The Mark of the Beast" in Revelation:

(Q) What is meant by the mark of the beast in the right hand, or forehead?

(A) These are as signs or symbols of this or that grouping, or of the organizations that become as a

part of <u>the vows</u> or obligations to those who have joined in with the work of the beast.

In my book, *Discerning Masonic Subversion*, I demonstrated how Freemasonry's tactic is to take a body of Truth, twist it to hide the actual Truth, and then pass off their falsehoods as the real thing; using the media to spread their false version farther and wider than the original. This is to make sure that those likely to learn a certain truth Freemasonry wants to suppress will get misdirected and subverted before ever coming near it. Freemasonry always does this with regard to various proofs of God, proof of life after death, proof of miracles, proof of demons, proof of Biblical giants having been real, proof of the Eljo, etc.

They have done this again and again with regard to Edgar Cayce because a dedicated study of the readings will prove to you unequivocally that God exists and that Jesus Christ is the True Messiah. This is no idle claim! Go see for yourself! Study the

Freemasonry has been trying to make Edgar Cayce go away since the 1930's because he is proof of God and their aim is to wipe out religion and all evidence of spiritual phenomena and create a one world government.

Freemason writers of the 1930's, such as Donald Keyhoe and Richard Shaver, invented the modern myth of the UFO as an "alien flying saucer" in order to trick the public into interpreting a spiritual phenomenon as merely a "nuts & bolts" physical one, in order to hide evidence of the supernatural and of God. And, in keeping with Freemasonry's standard protocol of killing two birds with one stone, they did it in such a way that encourages the erroneous belief that a one world government might soon be a necessity.

READING 585-9 (December, 1941)

(Q) Please explain the significance of the flame colored light that I saw last Wednesday as we were watching the sky.

(A) In the experience of those who have put their trust in Him, there has ever been those significant indications of an answer that He is mindful. Then, as was indicated, let it be an assurance that He knows, He understands, He hears, He IS aware.

This sheds new light on the Star of Bethlehem, doesn't it? It's like God was watching what was unfolding in the manger!

Yet, haven't we all seen twisted blasphemous attempts in the media over the years to claim that the Star of Bethlehem was a UFO and that Jesus was "an alien hybrid"…?

This also reveals the truth about what the Foo Fighters were (the mysterious phenomena, not the band); those mysterious glowing spheres which were always seen accompanying formations of bombers on either side during WWII… Was this God documenting for Himself the mass murders

committed so that He would be ready for the defense claims of the guilty at the Judgement…?

Now you can see why Freemasons would want to hide that from you after tricking Christian soldiers into committing mass murder.

What I am about to share with you now is an excellent example of how Masonic subverters pervert and twist the teachings of Edgar Cayce, so BEWARE!

As mentioned above, I wrote a book several years ago called, "*The Mystery of God: A Commentary on the Revelation as Interpreted by Edgar Cayce*". But now there is a subversion form of this info on Amazon called "*Edgar Cayce on the Revelation*" which perverts the entirety of the Truth; denying that Jesus Christ was the Son of God, preaching evolutionist propaganda, and conspicuously omitting the cautions that Freemasonry is utilizing the media to attempt to stamp out Christianity.

Cayce was once asked to clarify the theory of evolution, only for him to stress, evolution *does not* apply to man. *Does not* and *never has*.

From READING 900-340:

(Q) Now, let's take the animal. One great belief at the present time is the survival of the fittest -

(A) **Applies in the ANIMAL kingdom - not in man!**

(Q) That's a touchy point...

(A) **Let all read history! Which has survived - the brute strength, or the development towards that of God? Which survives - the man that studies God and seeks to emulate His forces and powers, or the man that emulates the forces of earth or flesh? This answers itself!**

So clearly, Edgar Cayce said evolution doesn't apply to man, but for some reason, the subversive author of a supposed Cayce document sold on Amazon.com wants you to think that Cayce endorsed the theory of evolution. That author (who provided no citations) lied to you, in order to conceal proof of the spiritual and to push the agenda of making it seem like the only paradigm that is real is that of the purely physical. Similarly, in

the mainstream media, only materialist explanations are allowed. This is pure Masonic doctrine. The TRUTH of reality is: **Mind, Body, Spirit**… But the freemasons want to cut you off from even noticing fully a THIRD of your reality. This they do in order to deceive you on behalf of their master. Can you guess who that is?

Who benefits from corrupting people? Who benefits from ruining souls?

Y*ou will know False Prophets by their denial that Jesus Christ was the Son of God; they will deny the Divinity of Christ*.

Remember that we cannot approach God's throne except through the Son.

So the Subverters' aim is to rob you of the only true path to God.

There are those, like Vatican II popes, who will say that we can bring about world peace and godliness through Masonic concepts and neoliberalism, and

that we no longer need Jesus, but as Paul warned in **2 Timothy**, “they have a form of Godliness yet deny the power thereof”:

2 Timothy {3:5}

“Having a form of godliness, but denying the power thereof: <u>from such turn away</u>.”

Reading 2402-2 and numerous other Readings implied that peace would never be granted through elitists who manipulate public opinion to further their own private agendas; this extends even to Freemasons who corrupt the papacy.

Edgar Cayce further warned that, it’s nice to have consideration for others, but if we get so carried away in trying to cater to others that we forget the Son and our Christian ethics of the first importance, it will cost us the Kingdom.

READING 5075-1: “Others, yes, is thy motto. <u>But not others to such an extent or degree as to become so zealous as to forget the first principles.</u>”

(It seems to me that the Vatican II popes have totally forgotten this; they deny the power of Jesus

and in His place substitute Masonic secular humanism instead; it is proof they are actually subversive Masonic Anti-Popes.)

You will know the False Prophets by their denial that Jesus Christ was the Son of God; they always deny the Divinity of Christ.

Some very relevant excerpts from **2 Timothy KJV**:

{2:12} If we suffer, we shall also reign with Him; if we deny Him, He also will deny us.

{2:14} Of these things put them in remembrance, charging them before the Lord that they strive not about words to no profit, but to the subverting of the hearers.

{2:15} Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

{2:16} But shun vain babblings: for they will increase unto more ungodliness.

[What is vanity these days but social media? It is just as the scriptures warned; those in the last days laboring only toward vanity and nothingness.]

{2:24} And the servant of the Lord must not strive [heatedly argue]; but be gentle unto all men, apt to teach, patient, {2:25} In meekness instructing those that oppose themselves.

{3:12} Yea, and all that will live godly in Christ Jesus shall suffer persecution. [Persecution doesn't mean only mean torture and assassinations, no; the widespread repression of Jesus' teachings and the preaching of the inversion of Christian ethics in the media is what we are talking about. That is the Anti-Christ, not any particular leader figure.]

{3:13} But evil men and seducers shall wax worse and worse, deceiving, and being deceived.

{3:14} But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them.

{3:16} All scripture is given by inspiration of God.

As an author who has laboriously studied the Edgar Cayce readings for years, I would emphatically add that Edgar Cayce's powers undeniably came from God, in the manner of the Prophets of old, and never EVER denied Jesus Christ. The Edgar Cayce readings always maintained that Jesus Christ was the Son of God and there was no other way to approach the Throne.

Do not let deceivers lie to you or mislead you on this extremely important point.
